All the academic programmes and courses taught by UWC in the five continents have the same aim: to demonstrate that it is possible to change the world, to transmit enthusiasm and to show that, together, the dream of a planet in which peace, solidarity and sustainability prevails is viable.

5 DAYS OF COLLABORATIVE DYNAMICS, GAMES, TECHNOLOGY AND ACTION TO LEARN TOGETHER TO BUILD PEACE.

OUR PROPOSAL

Do you want to explore your personal role in peacebuilding while learning how to manage conflict?

In ActionxPeace we will reflect on our own identity and reality in order to be able to understand the other as a way to transform conflicts.

If you were born in 2002, 2003 or 2004 and are interested in learning more about conflict transformation and peacebuilding - fundamental values of the mission of the United World Colleges - don't hesitate, apply for a place in our ActionxPeace programme to be held on 5, 6, 7, 8 and 9 December 2019 at El Casar de la Inesa, Nambroca (Toledo).

Fill in and send us the online application form that you will find on the website <https://www.es.uwc.org/> between 2 October and 12 November 2019, attaching all the relevant documents, and you will participate in the 2019 call.
