LEARN

WHAT YOU NEED TO
BECOME A SOCIAL
ENTREPRENEUR, WITH A
BILINGUAL PROGRAMME
IN SPANISH

"I have learnt many things, like how to approach conflicts, to think about the effect of my activities on the natural environment, and how to plan any project, taking care of every detail."

-Participant in AxC

02

EXPLORE

UWC VALUES IN THE EXCEPTIONAL SETTING OF MADRID, SPAIN

"I have developed objectivity, the capacity to open to others and myself, to look around, trust, and learn to think, empathy, honesty, friendship... EVERYTHING. Thanks for everything! "

-Participant in AxC

03

CHANGE YOUR SURROUNDINGS

"AxC provided me with a vision of the world that has helped me be more critical and coherent with it. Without the shadow of a doubt I can state that it was the experience of my life. After it, I am a much more complete person in the sense that I know it is in my hands to change those things I do not like or I believe are unfair."

WORLD

OUR PROPOSAL

Would you like to find a solution to a problem in your neighbourhood or town? Have you considered that such a solution could be in your hands? Do you know that you can become an actual social entrepreneur?

If you were born between July 15th 2000 and July 1st 2003, and you would like to have an international experience in Spain, learning about the country and its culture, while you work on an idea to solve a problem in your immediate surroundings, do send us your application. You could join the fourth edition of the “Action x Change (AxC)” Summer Programme that will take place from June 29th to July 13rd at Toledo, Spain.

UWC España (UWC Spanish Committee Foundation) now offers you the necessary tools to help you change the world.

Fill in and send us your online application form, which you may find at www.colegiosmundounido.es from February 14th to April 1st 2018, attaching all requested files, and you will participate in the 2018 call.

Berta Fraguas Garrido

General Director of the Fundación UWC España

THE TEAM

Made up of UWC alumni from different countries, with specific knowledge about social entrepreneurship, leadership, the environment, education, leisure and outdoor activities, as well as artistic and multidisciplinary fields.

Coordinator, trainers and facilitators

Young professionals linked to UWC, with experience in event planning and the organization of summer camps, as well as training and leisure activities for youth and children.

Other social entrepreneurs and guest speakers

Workshops and sessions are organised by the team of trainers and facilitators, as well as by other speakers with relevant experience in social innovation: young entrepreneurs and eminent experts in different fields.

UWC VALUES

The UWC (United World Colleges) movement has already contributed to educate more than 40,000 youngsters from over 180 nationalities in its first 50 years of existence.

All academic programmes, summer programmes, and short courses delivered by the UWC in the five continents share the same goal: to prove that it is possible to change the world, conveying enthusiasm and the realization that, together, we can make the dream of peace, solidarity and sustainability a viable reality.

UWC provides the keys for any inquisitive young person to become a social entrepreneur.

THE SETTING

The AxC2018 Summer Programme will take place in Toledo
