

SHORT COURSE 2018

ARCHITECTS OF DIVERSITY

18-25 AUGUST

**Do you ever wonder about... who am I? What do I care about?
What are my passions? How can I impact my community
positively? How can I meet and connect with other like-minded
young people?**

United World College Short Course Malaysia: Architects of Diversity is a one-week, bilingual (English and Malay) residential program for young Malaysians. Through interactive workshops, games, debates, and role-playing, participants will tackle the big question faced by societies that are defined by their difference: how do we best live together in difference and diversity?

At this Short Course, you will:

- Make lifelong friendships with 40 students from various backgrounds all over Malaysia.
- Engage in open, constructive forum to discuss, debate and learn about important issues facing us as a society: identity formation, multiculturalism, and social responsibility.
- Express your opinions confidently and empathize with perspectives different from your own.
- Become part of a global community of changemakers, and connect with other engaged and like-minded young people from all over the world.

Details:

Date: 18-25 August 2018 (Public School Holidays)
Venue: Al-Sakinah Eco Resort, Janda Baik, Pahang

The cost of the program is entirely free. Food, accommodation and transport to and from KL Sentral to the campsite is covered. Travel stipends are available for those in need.

We are looking for 40 Form 4 students from all types of racial, geographical, economic and religious backgrounds.

Our participants should be interested in engaging in communities, love building new friendships and be excited to learn by stepping out of their comfort zones.

**THE DEADLINE FOR APPLICATIONS IS ON 10 APRIL 2018.
